Song: "Bring Me Back"

Album: Life's Interpretation

I remember the times before
When I lived across
You never came out
You always stood right to the window
Watching as the childrens play
Then the years passed, we finally met up,
Became best friends
Till you moved as I
Got older, looking at the calm outside
It's too quiet and lonely

(Chorus)

Looking back at the times before
A few years gone, it's an endless story
Bring me back to the way I am
Bring me back to what I was inside
Now I see the lonely street
As I drive by each passing light poles
As I fly off land
I see this place looks dark and grim
Falling asleep, thinking back
When I had so much fun
Being with you so I
I won't forget all those times we had
It's in my memories as I...

(Ä'horus)

Now
I have seen the truth
I have made my own mistakes
Can't regret what I've done

(Ä'horus 2x)

Now
I have seen the truth
I have made my own mistakes

Can't regret what I've done
