Song: "Careless"

Album: Life's Interpretation

You said you're sorry but
It's happening again
You're so unreal,
So impossible to be a friend
When I needed you,
You turn your back on me
I cover for you, you won't
Do the same for me

Chorus:

You just stand there watching me
Fall out of my sanity
I've gone one way, strapped to drown
I'll rise again, I won't stay down
Every time I hear a cry,
It's all in my head
Forget what I'll see,
I'll wash away all I bled
Your lies left me in
This fallen state of mind
I'd throw it all away,
I've pushed memories aside
(Chorus)

If I hide my face, you wouldn't know
How much is enough
Your careless thoughts
They left me all dried up
