Automated thoughts spring from fear.
(Spring from fear)
To plant the idea, to ferment the seed.
Releasing waves of thoughtlessness,
Solely to speak of something.

This is not the end,
But a time of transition.
(Transition)
The transformation is taking place,
Within us.
Our destinies will intertwine,
In the heart of life.
The profound process now underway,
Is precisely what the ancient messengers were pointing
to.
WE WONÂ'T DIE ALONE,
WEÂ'LL DIE TOGETHER.
WeÂ've been in the dark for way too long,
To accept defeat,
With no pursuit of truth.
I have created life.
THIS IS NOT THE END.
The transformation is taking place,
Within us.
Our destinies will intertwine,
In the heart of life.
TEAR THE EARTH OUT OF SPACE.
TEAR THE EARTH OUT OF TIME.
WE WONÂ'T DIE ALONE,
WEÂ'LL DIE TOGETHER.
WEÂ'LL DIE TOGETHER.
