water food and drive  
water food and drive  
we're great  
the sun sets later

static in the box  
static in the cough  
so hack hack it up  
so hack hack it up

staring at the sky  
staring  
at the soar  
the pull  
a depth (death)  
too horrible

static in the box  
static in the cough  
so hack hack it up  
so hack hack it up

we live free  
we never bleed

we live free  
we know  
what we need

water food and drive  
water food and drive  
we're great  
the sun sets later

static in the box  
static in the cough  
so hack hack it up  
so pack pack it in  
end to begin

repeat

repeat  
repeat  
ride to me  
right through me

repeat  
repeat  
repeat  
ride to me  
right through me  
ride to me  
right through me

static in the box  
static in the cough  
so hack hack it up  
so pack pack it in
