[Verse 1]Con Fuze]

Its like a Great day
Kids like,when they play
Released from an emotional jail
Unleashed song,it's a devotional tail
Eh!
Basic science,laws of attraction Magnetism
Yeah
Face it,it shines hold those subtracting lights from the
prism
I have been, I have seen places
Places yet to be discovered
I am keen I am mean faces
Contains hanging skin
When mis-covered

Travelling back in reverse
Reminiscent" Goin back like a reverse
Stuck up behind a microphone
Painting verbal pictures
Dreaming of tomorrow
Escaping a dark sorrow,after breakin" hearts of sisters
Feel like moving on

Captivated for so long
Con Fuze sharing wishes ! With the Long Gone
My finger on the brunch just to hold on
Qualities of a King but I'm Refusing the Throne!

[Hook]Con Fuze]

It's a beautiful Jam,so I spread on the short bread
It's a beautiful jam ,so I spray it on the note pad
It's a beautiful jam
Free food of thought
Its a beautiful jam
Free at last,its a beautiful jam
And so I spread on the short bread
But it is a beautiful jam ,so spray it on a note pad its a
beautiful jam

[Verse 2]Con Fuze]

Introspective,style highly addictive
Instructive, ill gladly be Respective
Done serving the military infantry
Like dead soldiers applying for a heavenly entry
Can't stand a place of inequality
Cos' a sin usually results in infidelity

Aint impressed by your First impression
Stop chasing and start elevating
Not Men! Gravity should be your competition
Success on a petition

The block is like a prison,yall just Erecting to Rape your inmates
Tryna receive attention from tha'
Disrespecting Fakin Out mates
Giving life to Gayness
Penzamaya Kill when eva I find unnatural happiness

Strict Ghetto open minded from tha" chromosomes
Repelin" en Rejecting homo-Songs
ABSTRACT! Judge from the two extracts
Hence Recognise !

[Hook]Con Fuze]

It's a beautiful Jam,so I spread on the short bread
It's a beautiful jam ,so I spray it on the note pad
It's a beautiful jam
Free food of thought
Its a beautiful jam
Free at last,its a beautiful jam
And so I spread on the short bread
But it is a beautiful jam ,so spray it ona note pad its a beautiful jam

[Verse 3]Con Fuze]

Yeah emancipating , as I emanate
Debilitating when I debate
Speech served with warmth like food in a plate
Ridding tha' mic madly until late

Expressing my thoughts Freely
Impressin cates
can yall Feel me ?
Applyin' poetry to get some money
Buy her a rose n get love from honey

Love at First sight
Smiled back back at the sunshine cos" it felt right
Blessings from tha" divine came after a dark night
No more nightmares now that I've gained control of my
eye sight

Rolling on a skateboard interacting with nature
First time coming through, but I ain't an amateur
Optimisation to the situation
E- Minds Free at last
Spreading world wide check me on the Atlas!
