like Whoah oh oh ,Like whoah oh oh.....She got me  
feelin like I never did ,shawty got a booty like oh oh  
oh,Like oh oh oh —2

Verse 1 [C-Rapstar]

Hold up a Sec ,all I can see is her back ,aint tryna  
sound like a perv  
can't help it I stare ,don't you ruin the moment  
keep walkin like dat ,I get to her its a Wrap  
Man I think she like me ,but dat might change if she  
just listens to friends  
I'm a different Lad ,aint nothin to compare  
I'm the maaaaaan ,or trying to be  
Suckers say I'm nothin ,I know they lyin to me  
She wana see me again ,all she got was a Maybe  
She can wait with babies ,already got plenty  
And they all are rappin ,you get what I'm sayin  
So many girls out there ,not all of em have it  
I'm not the type to say this ,so blame it on the hook  
Finest shawties in the hood ,I would know that's my  
home  
They be passin my street ,and I be writing some hits  
Can't help but include em ,I told my homies this

Hook [Jesse kohn]

She got me feelin like I never did ,shawty got a booty  
like Whoah oh oh ,like whoa oh oh..... She got me feelin  
like I never did ,shawty got a booty like oh oh oh ,like  
oh oh oh —2

Verse 2 [C-Rapstar]

Ma Hold up a Minute ,a second aint enough  
I aint got time but I'll put my name aside ,and give you  
a Minute  
This is Nice ennit ,she was the first to hear this

I mean she heard me rehearsin ,I don't really say this  
I guess my feelings are snitchin ,but don't get it twisted  
I aint ready for love ,look on the bright siiide  
I'm writing songs about ya ,I'm from the South  
Siiiiide.....of Africa  
Polite in every way ,if only moses was a girl name  
Like when she walk up in the club ,the boys make way  
I don't know what to say ,ey you got me all speechless  
She make me look better ,how they start to respect me  
When they saw me wit her ,now these girls poppin up  
hope I'm not tempted  
I'm not even a Player I mean I know Better  
Ey I.....bet ya.....jeans don't fitcha
