Hook [Shirley]

You ? Concerned about Me ? Please leave me alone  
Cause (I'm fine)Ã—3.....just leave me alone  
Please leave me alone ,cause (I'm fine)Ã—3

Verse 1 [C-Rapstar]

Why you worried about me ? I'm in my zone people  
You calling me a loser,what you lost your head ?  
I need my own space like I bought a new apartment  
And my Sh\_\_ takin off I should live at the airport  
Some things are better left unsaid ,I'm kinda mad at  
the world  
Let me Rap ,say I need a Plan B you just fortune tellers  
Me don't believe in those,Only God knows take his word  
over yours  
Keep your Complements short ,was a time I needed  
those  
But not anymore ,I'm rich with Bags of hope  
Being critics to the kid ,let me Live and Learn  
Mama let go ,your son is a Man.....you standing in my  
way  
There is no Rehab ,My music addiction just let it kill me  
You say I can't forever ,well don't you forget....I won't  
live forever it is now or never

Verse 2 [C-Rapstar]

See it started with Connection ,to Dylan and Rich  
And they Gave me free Beats and that made me Happy  
Little Nell put me on the Team ,competition is thin man I  
aint scared at all  
I think I scare them off ,scarecrow flow ,watch out for  
me like I'm on youtube

I'm much better than when I started ,its called growing  
Don't call me upcoming cause I'm here already ,man I  
hope my teachers watching  
And my Classmates too,I got a rap class for yall let's  
see if you can graduate  
Nahh not in my zone just watch a Nigga grow ,to what  
you never was  
Why I rap a lot cause that's all I know ,it made me exist  
Excuse me I don't rap about cars and clothes and Sh\_\_  
When I get em then I have em no reason to shout  
My music aint for advertising ,and boosting your  
brands
