And I know you don't know  
What to do with yourself  
And you dance on your own  
'Cause you've broken this home  
Yeah I don't know how  
You live with yourself  
And you'd give anything  
To take back everything

Can you hear them sing  
Can you hear them whispering  
'Cause the truth is that they'll never love you again  
Can you hear them sing

You walk around the town  
With your ear to the ground  
And the room falls silent  
As you walk through the door

Can you hear them sing  
Can you hear them whispering  
'Cause the truth is that they'll never love you again  
Can you hear them sing  
Can you hear them call your name  
You pour your heart but no one seems to care

Now answer this  
Was he worth that kiss  
Coz a moment on the lips took away all of this  
And I know you think of me in that bedroom of his  
Was he worth it

And I dont know how you live with yourself...

Can you hear them sing  
Can you hear them whispering  
'Cause the truth is that they'll never love you again  
Can you hear them sing  
Can you hear them call your name  
You pour your heart but no one seems to care
