Ladies and gentlemen
I'm here to show you the truth about
The way you live your lives
And all the facts you hide
Follow me
I'll bring you to your knees
Show you the things that youve been missing
In your hearts

We are we are!
The voices
The ones that guide you through the dark
We are we are!
The heartless
The ones that tear you apart

I've had it up to here
With all your pissing and your whining
About the way you've been treated
And how he left you defeated
Follow me
I'll bring you to your knees
Show you the things that youve been missing
In your hearts

We are we are!
The voices
The ones that guide you through the dark
We are we are!
The heartless
The ones that tear you apart

Tie your tongue!

We are we are!
the voices
the ones that guide you through the dark
we are we are!
The heartless
The ones that tear you apart
