Help, my hearts in two
Oceans apart
Tell me
What do i do
That bitter taste
Of irony is why
This songs for you
But those 3 words
The ones you swore to me
You'd never break
But at
The end of the day
When all is said and done
I'll show its your mistake

Were we just a fantasy
That didn't mean a thing
Or was it all a heartless game
That no one ever wins

Let this tide
Take me back to where
My heart resides
Close my eyes
And feel these waves come crashing
Through my lonely mind

I walked away
From everything but it
wouldn't make you stay
Push your pride aside
And tell me now just how you felt

Were we just a fantasy
That didn't mean a thing
Or was it all a heartless game
That no one ever wins

Let this tide
Take me back to where
My heart resides

Close my eyes
And feel these waves come crashing
Through my lonely mind

Is there anyway out

Let this tide
Take me back to where
My heart resides
Close my eyes
And feel these waves come crashing
Through my lonely mind
