yall niggaz is lame  
i spit faster than a AK47  
im your eminem  
nigga you a grenade without flames  
i just killed yall niggaz before you got major pains  
crazyv just came in tha game  
its like south africans hate africans like damn  
im goin project X i dont give shit  
you in your toilet,popin your champagne  
ok lets skip that part  
are you still doing your shit  
\*agh...\*  
i never run a way for my battles there is hell to pay  
just come with your niggaz so that i can tell them you  
gay  
dont tell me that you need jay with that mouth like he  
gets a blowjob everyday  
i knew you are a snitch  
nigga you owe strip clubs that makes you a bittccchhh  
follow me on twitter i can call you rich  
but you aint  
gotta hustle everyday for that one thing old skool  
chevollette  
that voice of an angel telling me you got paid  
where is cut  
before tell him that you are gay  
fuck S.A  
thats all i can say

you started musturbaiting  
your girl is waiting for you in bed she does not have a  
lover  
nigga dont make it rain  
there is no cover  
your bitch took me for another  
hour  
i got a headech she was screaming daddy like i was  
her father  
damn
