Redemption is mine forever  
I feel my heart about to break  
Evil in the darkness finds me  
I bow my head my body shakes  
Folded hands won't fail me now

A solid rock on which i stand  
The enemy can never take me  
I hold onto the great i am  
And all i say is

Take me home again  
I'm feeling like i did on sunday morning  
The stone is rolling  
Home again  
I'm feeling like i did on sunday morning  
The stone has rolled away

It's not to hard to understand  
When evil forces try to break me  
I cry out to the great i am  
His open arms will

Take me home again  
I'm feeling like i did on sunday morning  
The stone is rolling  
Home again  
I'm feeling like i did on sunday morning  
The stone has rolled away

Oooh oooh oooh love

Take me home again  
I'm feeling like i did on sunday morning  
The stone is rolling  
Home again  
I'm feeling like i did on sunday morning  
The stone has rolled away  
Home again  
I'm feeling like i did on sunday morning  
The stone has rolled away

Salvation is mine
