We are young, heartache to heartache we stand  
No promises, no demands  
Love is a battlefield  
We are strong, no one can tell us were wrong  
Searchin our hearts for so long, both of us knowing  
Love is a battlefield

Youre beggin me to go, youre makin me stay  
Why do you hurt me so bad?  
It would help me to know  
Do I stand in your way, or am I the best thing youve  
had?  
Believe me, believe me, I cant tell you why  
But Im trapped by your love, and Im chained to your  
side

We are young, heartache to heartache we stand  
No promises, no demands  
Love is a battlefield

We are strong, no one can tell us were wrong  
Searchin our hearts for so long, both of us knowing  
Love is a battlefield

Were losing control  
Will you turn me away or touch me deep inside?  
And before this gets old, will it still feel the same?  
Theres no way this will die  
But if we get much closer, I could lose control  
And if your heart surrenders, youll need me to hold

We are young, heartache to heartache we stand  
No promises, no demands  
Love is a battlefield

We are strong, no one can tell us were wrong  
Searchin our hearts for so long, both of us knowing  
Love is a battlefield

We are young, heartache to heartache we stand  
No promises, no demands

Love is a battlefield

We are strong, no one can tell us were wrong  
Searchin our hearts for so long, both of us knowing  
Love is a battlefield
