Take just a bite of this pill here with beer in your blood,  
when chillin with feminine women and playin a stud,  
sippin a bud, doin the lovething or dumb things  
in a convertible with a rock on the pedal.  
Youll be feeling the rush - well be chillin above - ahead  
of our time  
Natural Bond be fillin the clubs  
A don, sort of a Don Juan;  
Ru - Fred Astaire on the floor with a partner in the air.  
Give it a stare, I rapidly move, my faculty rules.  
I radically cruise through time at actually duel.  
Sellin the jewels, I keep spellin the clues  
for you and your girl, spreadin the news, Im tellin the  
world.  
Watchin you burn, I earn credit and learn -  
you inheritad your style and merit from a relic.  
and duplicated a buzz. You hated when Ru made it.  
I faded them nice, made em concider their life with  
mics.  
Im perverted for life, my girl startin to like -  
convertin homos while Im sexin the dykes.  
Stressin the rest, I live ahead of mt time , as well,  
mine be heavenly, yours be hell

Chorous

Ahead of my time - Feelin the threshold operate -  
Ahead of my time - Natural Bond be fillin the clubs  
Ahead of my time - With people to toss and money to  
cross, to generate -  
Ahead of my time.

I feel well, signing the deals and keep ringing the bells,
