A wasted voice they send no one believes this beauty  
that they receive a sharpened point they said the  
speed it's giving hidden message the ashless breath  
again here comes the sun upheaval of new as hatred  
grows again follow the leaders of life to the end as  
hatred grows again all of the sleepers coming down  
from their cause dreams of light i've had them all my  
life all the time no i don't know a reason living in guilt  
shame inside these eyes again inside my head  
upheaval o fnew scrape through this life again i truly  
tried i can not figure it out is it worth something so  
symbolic a heaven it seems to come out so messed up  
it's faith depleting unrele
