Getting suffocated
Air is spent
Fuck this delusion
I'm loosing breath
It's so degrading
Loosing everyday
Nothing really matters
Any fucking way

Getting inodated
Net overload
Fuck this delusion
I'm loosing hope
It's so uplifting
Loosing everyday
Nothing really matters
Any fucking way

Meaning lost it's face,
Broken out of place
Spinning in the shame,
Uplifting

Death this shroud is shread,
All incitate
Won't hold my breath,
Too much mouth for brains
It's so degrading
Loosing everyday
Nothing really matters
Any fucking way

Fallen, flood of angels
Higher, than the sun
Feel now, high align
Fell for, lullaby

Meaning lost it's face,
Broken out of place,
Spinning in the shame,
Uplifting!

Meaning lost it's face,
Broken out of place,
Spinning in the shame,
Uplifting!
