Deny all irritant like salt in open slit go on and swim in it
like pools of guilt you spit feel pathetic frenzy feels
better to hate than to tell there's nothing around you
make it up to purify your hell broken it dirty head one
stinging hint like ruin and lead tell me words of wisdom
pouring of fyour neurotic tongue don't like this future
trip not down with deadly clique i'm just so dcadent the
only plus of less use and regenerate this lonely two
side head i guess just paranoid deride pathetic losing
it dirty sense phase of fall like i always
