I live alone
Above the station
A product of...
My Lord's creation
And in this town of disco heat
The dancing of a thousand feet
(chorus)
Nah Nah, Nah Nah, Nah Nah,
oh, oh, oh
Nah Nah, Nah Nah, Nah
(REPEAT CHORUS)
I work inside the children's city
They treat me as the Lord and maker
And in this town of stops and starts
The beating of a thousand hearts
(REPEAT CHORUS)
I can see
Just by using my eyes I can see
It's really no surprise in the park
Along the pathway I can walk
In a sullen way
Late at night
I'm walking back
Funny music inside my head
And when my imagination runs
The shooting of a thousand guns
(REPEAT CHORUS 'til the end)
