Don't mess with Doctor Dream  
Don't mess with Doctor Dream

Come lay your head down on the stone

So cool and white and welcome home  
Oh  
Lose your troubles  
Ease your pain

Soothe your soul in golden rain  
Blue marble seas - I will make you feel so good - roll  
over me  
Blue marble dreams - I like you always knew you would  
roll over me

Don't mess with Doctor Dream

Don't mess with Doctor Dream  
He's not one for sympathy  
Don't mess with Doctor Dream

Don't mess with Doctor Dream  
He will bring you to your knees

In the hours before the dawn you curse the day that  
you were born  
Those demons scream in ecstasy and you crawl  
around in agony  
Doctor jeers and fades away  
Yeah

This is the price that you must pay  
Blue marble seas - I will make you feel so good - roll  
over me  
Blue marble dreams - I like you always knew you would  
roll over me  
Don't take that  
Take this - take this

He's not one for sympathy

He will bring you to your knees  
Oh  
Lose your troubles  
Ease your pain

This is the price you must pay

Don't mess with Doctor Dream

Don't mess with Doctor Dream  
He's not one for sympathy  
Don't mess with Doctor Dream

Don't mess with Doctor Dream  
He will bring you to your knees

Don't take that  
Take this
