I gave up on lovin' a long long time ago  
Ooh yeah I had myself believing I'd rather be on my  
own

If you're pickin' and choosin'  
Yeah playin' it cool  
Well ya wind up loosin'  
I'm no fool  
I won't give up on loving  
No I won't give up on love  
Get that love - I won't let that love  
escape me once again  
I'm Gonna get that love and make it mine

You know that hearts and flowers never meant that  
much to me  
But telling lies, lies, lies to myself will never set me free

If you're pickin' and choosin'  
Yeah playin' it cool  
Well ya wind up loosin'  
I'm no fool  
I won't give up on loving  
No I won't give up on love  
Get that love - I won't let that love  
escape me once again  
I'm Gonna get that love and make it mine

You know you can build any fortress, any that you  
choose  
Then later discover the prisoner, the prisoner is you

If you're pickin' and choosin'  
Yeah playin' it cool  
Well ya wind up loosin'  
I'm no fool  
I won't give up on loving  
No I won't give up on love  
Get that love - I won't let that love  
escape me once again  
I'm Gonna get that love and make it mine
