In the name of...

In the name of...

In the name of...

Hey you,

I've seen your face before

It's you in the picture which hangs on my bedroom wall

Is it true? All of those things that they say about you

So tell me, tell me, tell me what am I supposed to do

(chorus)

In the name of love, yeah

In the name of love

In the name of love, yeah

In the name of love

Well it's fun to think that I'm having the time of my life

And it's true if all this around us is paradise, paradise,
paradise, paradise

But now I want to be left here with nothing at all

Even the picture has fallen away from the bedroom wall

(REPEAT CHORUS x 2)

In the name of...

In the name of...

In the name of...

(REPEAT CHORUS x 2)

In the name of love

(REPEAT CHORUS x 2)
