I'm watching everything
Every movement of the land
I'm afraid the ??? is someone like a
Isn't it a slight of hand

(Chorus)
It's cause we're living in Europe
It's cause we're living in Europe
It's cause we're living in Europe
It's cause we're living in Europe

Ya Ya, Ya Ya, Ya Ya Ya Ya Ya Ya
Ya Ya, Ya Ya, Ya Ya Ya Ya Ya Ya Ya Ya

I'm hearing everything
Every movement in the sky
All the world is watching us
And kissing us goodbye

(Repeat Chorus x3)
