There's a scandal in the city, lots of rumors flying
round
I gave them all my money, what I lost they found
Sometimes I think they're madder than hatters having
tea
Setting up the situation to destroy the scenery

(There's no peace) No peace for the wicked
We're dancing till we drop
(There's no rest) No rest for the wicked
And we're all too scared to stop

Oh can't you see the trouble?
It causes me much pain
Cause I don't understand
Why should I stand out in the rain?
Sometimes I think they're madder than hatters having
tea
Setting up the situation to destroy the scenery

(There's no peace) No peace for the wicked
We're dancing till we drop
(There's no rest) No rest for the wicked
And we're all too scared to stop
(There's no peace) No peace for the wicked
We're dancing till we drop
(There's no rest) No rest for the wicked
And we're all too scared to stop

Satellites spin through the air, suffragettes are
everywhere
When the headlines hit the streets they're gonna knock
you off your feet
Satellites spin through the air, acrobats of atmosphere
Maybe love will disappear
I wonder if you really care

There's two people on the wire
Making fun of what you said
Say you're looking for affection
Won't you look at me instead?

No peace for the wicked
We're dancing till we drop
No rest for the wicked
And we're all too scared to stop
