The moment I laid my eyes on you  
I knew you were the one  
I'll give my everything  
my heart and my very soul  
but little did i know you had  
some one you love so real

You love him so much certainly  
love so true  
its a tie no one can undo  
but I'd still be waiting  
don't know what tomorrow might bring  
hoping that there's a way and a chance someday  
that you and I could share

Even just one dance  
just one dance  
let me put my arms around you  
and pretend that you are mine  
baby just one dance,  
just one dance  
I know you'll never be mine  
but I'm gonna wait for all time  
to have just one dance  
just one dance with you

oh, it's been three years  
since you fell in love with him  
oh girl I just can't bear the pain  
but what can I do  
I have fallen deeply for you  
now my tears are falling freely  
'cause you're not for me

I know in this lifetime  
it will never be you and me  
I know this is wrong  
I have to set these feelings free  
but girl all I'm asking is  
all I'm asking is  
just one dance
