Among the living you'll find the dying  
Waiting softly to pass on  
Why can't a love be like a spirit  
As it floats up to the sky  
With the giving there is taking  
Neither one feels like it's right  
And since your heart can't tell the difference  
You give up without a fight  
Because you know it makes you cry  
'Cause you can see what's passed you by  
Because you feel you can't decide  
Among the living  
Instead of headstrong into darkness  
We should be drifting into light  
It's been a long time we've been searching  
And we still can't get it right  
Because you know it makes you cry  
'Cause you can see what's passed you by  
Because you feel you can't decide  
Among the living, breathing painted shells  
Crumbling as they fall

Because you know it makes you cry

'Cause you can see what's passed you by

Because you feel you can't decide

Among the living, among the living, among the living

Because you know it makes you cry

'Cause you can see what's passed you by

Because you feel you can't decide

Among the living
