I'm not gonna lie to you,
Something is missing.
We don't have to make believe
Nothing is gone.
We've had the time
To see where we're going.
But We're still a long way off
From knowing why.

(CHORUS)

I can't remember,
The last time
You looked at me in the eyes.
I can't remember,
A way to make you cry.

I know it's been a long, long time,
Since I listened.
And it's been a long, long time,
Since we've been clear.
Many could live
On what we have wasted
All because we never knew
How much we had

(CHORUS)

I know it's been a long, long time...
It's been a long, long time...
Many could live on what we have wasted...
(What we have wasted)

(CHORUS)

And it's been a long, long time...
It's been a long, long time...
Long, long time....
