It's a runaway feeling  
About as big as the sky.  
You know the rock n' roll feeling  
Really make you feel high.

(CHORUS)

Tell me I'm the one you wanna play with.  
Tell me I'm the one you really need.  
Tell me I'm the one you're bound to stay with,  
When you're free,  
To do what you please.

It's a runaway feeling,  
(What you're feeling)  
Once you make up your mind,  
(make up your mind)  
To let the runaway feeling  
(Have your feeling)  
Leave all your troubles behind  
(leave them behind)

(CHORUS)

And you're free...  
(run run runaway)  
(run run run runaway)

To do what you please...  
(run run runaway)  
(run run run runaway)

Runaway feeling,  
No way of slowing it down.  
I'll take this runaway feeling,  
And ride it out of this town.

(CHORUS)

And you're free...  
(run run runaway)  
(run run run runaway)

To do what you please...  
(run run runaway)  
(run run run runaway)

To do what you please...  
(run run runaway)  
(run run run runaway)
