She sleeps alone without her clothes on

While I dream of how things could have been

She doesn't want me and I don't know why

I left a message in the midnight sky

But now I know she'll never find it

Maybe I'll see tomorrow

But for tonight I know I'm blind

Such a shame (to want you)

When you can't (belong to)

Someone else

Such a shame

Ah-

You may be wrong and I'm not crazy

Though I admit that I'm confused

I waited patiently you walked on by

I had to have you now I want to die

So there's no way to justify it

Maybe I'll see tomorrow

But for tonight I know I'm blind

Such a shame (to want you)

When you can't (belong to)

Someone else

Such a shame

Ah-

Such a shame

When you can't (belong to)

Someone else

Such a shame

It's such a shame (to want you)

When you can't (belong to)

Someone else

Such a shame (to want you)

When you can't (belong to)

Someone else

Such a shame

Ah-
