

Thorns, The "Think It Over"

Reach inside yourself.
Find what is left.
Things go wrong,
But you're still strong.
Time heals almost everything.
And the world outside,
Doesn't need to let you in.
Lay your own,
Stepping stones.

(CHORUS)
Think it over.
Might not be today.
You'll know what to do.
When it all turns around.
Think it over.
Might not see the way,
Right in front of you.
But it all,
Comes around.

Back against the wall,
(many ways to fall down)
There are many ways to fall.
(you might change your mind)
Take your time,
Change your mind.
(take your time)

(CHORUS)

take your time
change your mind

Think it over.
Might not be today.
You'll know what to do.
When it all turns around.
Think it over.
Might not see the way,
Right in front of you.

But it all,
Yes it all,
Comes around.
Comes around.
Comes around.
