### 1st Verse

She wants me to go home but am,  
Already gone.  
Cras fly by, and the road is long,  
I love you more than anything,  
in this world, because  
nohting in this world could make me feel  
this way.

### Chrous

She thinks am Crazy (Crazy) x4

### solo 1

### 2nd Verse

She paying now but just for a  
Little while  
Opens the door just to step inside  
Seems you av changed now from what  
it was like before,  
am not going to answer that little  
knock at my door (my door)

### Chorus x4
