Let's make this stop
and breathe the air
but you can't because
your lungs are filled with (blood)
and i wanna stop but i can't
because it's in my head

Stop your tears from falling
down on the...

An eagles eye can see a thousand miles
i don't get any longer than two
and i'm not fast enough
to get away from here
and i just wanna disappear

this isn't through
i wanna see you

Stop your tears from falling
down on the..

Stop your tears from falling
down, down on the floor

(just sit and wait and feel the pain inside your brain,
soon its all over)
