(verse 1)

i can't explain it  
it is hard for me  
but we should be the ones making out in the tree

you seem to not notice  
the way you feel to me  
how the fuck am i supposed to tell you if you ignore me  
completely

i hate how all girls  
choose the wrong guy  
why can't they see that we're not losers like they think

you need to open your eyes  
you will be just fine  
just take some time to realize that everything will be  
alright

(chorus)

what an ass, what an ass  
hummer during class  
what an ass, what an ass  
hummer during class

(verse 2)

it might only take one time  
for you to see that  
i could be the one you've been looking for and be done

i have a great sense of humor  
i have a personality  
how can't you see you're looking right passes me?

they all do the same thing  
and it pisses me off  
how it makes you feel and how it makes you want them  
more

it's okay to take chances  
you never know what can happen

try it out and maybe you will make the right decision

(chorus)

what an ass, what an ass  
hummer during class  
what an ass, what an ass  
hummer during class

(bridge)

(chorus, guitar&vocals;)

what an ass, what an ass  
hummer during class  
what an ass, what an ass  
hummer during class

(chorus)

what an ass , what an ass  
hummer during class  
what an ass, what an ass  
hummer during class
