Work....

Now

Work....

Now

Call me in the morning just before the breakfast show

We'll watch TV and analyze the weather

Before we go to work, we'll have planned the day
ahead

We'll while away the working day together

(While away the working day together)

Work all day or work all night, it's all the same

(Work the same)

If you want to play

Some are nurses, some steal purses

Some are workers, some are not

(It is time for a party)

Liberation for the nation now (now)

Work....

Now

Crushed by the wheels of industry

Crushed by the wheels of industry

Crushed by the wheels of industry

Crush by the wheels (whoa, whoa)

Crushed by the wheels of industry

Crushed by the wheels of industry

Crushed by the wheels of industry

Work, now

There's a party going on that's going

To change the way we live

But how do we know we've even been invited

Now the invitation's waiting, and the table is reserved

So just play it cool and don't get excited

Work all day or work all night, it's all the same

(Work the same)

Will we ever change

It's vocation or vacation

Some are workers, some are not

It is time for a party
Syncopation for the nation now

Crushed by the wheels of industry
Crushed by the wheels of industry
Crushed by the wheels of industry
Crush by the wheels (whoa, whoa)
Crushed by the wheels of industry
Crushed by the wheels of industry
Crushed by the wheels of industry
Work, now

Work....
Now

Breaking in the future just before the week is up
They can do it, but it's going to take some money
Have what you desire if and when you see the fact
They will lead us to the land of milk and honey
Work all day or work all night, it's all the same
If you want the pay
(But do you really want the pain)
Some drive tankers, some are bankers
Some are workers, some are not
It is time for a party
Liberation for the nation now

Crushed by the wheels of industry
Crushed by the wheels of industry
Crushed by the wheels of industry
Crush by the wheels (whoa, whoa)
Crushed by the wheels of industry
Crushed by the wheels of industry
Crushed by the wheels of industry
Work, now

Work....
Now

(Repeat)
