

Thousand Times Better, A "Shipwreck"

Visit "[Shipwreck](#)" on MotoLyrics.com

I took my chances with my life
Perhaps one or two many times
I had no time to take it slow
I got it back so here I go

This could never be the same
For I may die on this day
Lay my head
On this bed, never again

Well, the captain once spoke to me, he said that you
ought to be free
Ever since that coincidence, my dreams have been
about the open sea

This could never be the same
For I may die on this day
Lay my head
On this bed, never again
Thirteen men may shoot me dead if I'm rescued from
this shipwreck
