I can't stand another heartache  
No, no, no

If you ask me will I be your love forever,  
I'll say yes (I'll say yes)  
I'll say yes (I'll say yes)  
And if you ask me to go with you anywhere,  
I'll say yes (I'll say yes)  
I'll say yes (I'll say yes)

But only if you say you love me  
Only if you say you really care  
All you gotta do is treat me bad---

I can't stand another heartache  
No, no, no  
[No, no, no, oh, oh]

If you want me to treat you like a king,  
Well, here I am (Here I am)  
At your command (Your command)  
And if you tell me (If you tell me) I'll do anything you  
asked,  
Just understand (Understand)  
You're my man (You're my man)

But first you gotta prove, prove you love me  
(Mean it from the bottom)  
Mean it, baby, from the bottom of your heart  
I've been hurt by love so many times, baby  
So if this love ain't true, why don't we stop before it  
starts

I can't stand another heartache  
No, no, no [No, no, not one more heartache can I  
stand]  
I can't stand [Just can't stand it]  
another heartache [Just can't stand it]  
No, no, no [No, baby]  
I can't stand [If I got down on my knees to you]  
Another heartache [Would it make any difference,

baby]

No, no, no [Tell me something good, ooh, hoo, hoo]

I can't stand [Said I can't stand it] another heartache

[Just can't stand it, baby]

No, no, no [No, no oh]

I can't stand [Don't know what to do with myself]

Another heartache [That I had you by me], no, no, no

[Somehow, baby, some way I'm gonna make you love  
me today]

I can't stand [Just can't stand it]

another heartache [Just can't stand it]

No, no, no [No--- no, no, oh, oh]
