Don't leave me, lover
'Cause I would cry if you said goodbye
Oh, oh, ohh
Don't, don't, don't, don't
Don't leave me, lover
Can't you see you're part of me? Oh, oh, ohh

Each night, I hunger for your touch, oh
I wonder why it means so much
I hope and pray you'll hear my plea
For your love is so dear to me
And that's why
That's why I think I'll die, oh, ohh, ohhh

Don't, don't, don't, don't
Don't leave me, never
Without you, what will I do? Oh, oh, ohh

[interlude]

Although you, you think you'd rid of me
But my love won't cease to be
Leave if you want, but you must stay
For my love plus day by day
And that's all
That's all, all I can say, oh, ohh, ohhh

Don't, don't, don't, don't
Don't leave me, lover
