Falling in love with love again
Feeling the feeling come back again
and now my heart is seventh Heaven, starry eyed,
ooh, it's good to be here
Falling in love with love again

Falling in love with love again
hope this time around it won't ever end
and now my heart is beating madly, needing him so
badly
now I couldn't lie
Falling in love with love again

Distant feeling alone, I was really was down low (way
down low)
then he came along, turning all my love back on
(Turn me on, Turn me on)
now I'm up again thanks to his loving ways
He takes me to Heaven, it's heavenly Heaven

Falling in love with love again
Feeling the feeling come back again
and now my heart is seventh Heaven, starry eyed,
ooh, it's good to be here
Falling in love with love again

Distant feeling alone, I was really was down low (way
down low)
then he came along, turning all my love back on
(Turn me on, Turn me on)
now I'm up again thanks to his loving ways
He takes me to Heaven, it's heavenly Heaven.... Heaven

Falling in love with love again
Feeling the feeling come back again
and now my heart is seventh Heaven, starry eyed,
ooh, it's good to be here
Falling in love with love again, with love again

Falling in love, Falling in love
Falling in love, Falling in love
