Gee, baby, I'm sorry  
But this is goodbye  
You know, I really hate to leave you  
'Cause... 'cause you're such a nice guy

Gee, baby, I'm so sorry  
[I'm so sorry, so sorry, so sorry]  
But I found someone new  
[someone new, through with you, I'm so sorry]  
And I know, I know that you're good for me [Good,  
baby, good]  
But I'm no good for you, ooh, ooh, ooooh

Don't want to hurt you  
I feel, I feel so ashamed  
No words can tell you  
How can I... How can I... How can I explain

Gee baby, I tried----  
I tried----  
Although you're sweet, you're not the guy  
Gee, baby, I'm sorry  
Please try to forget me  
Gee, baby, I'm sorry  
Gee, baby, I'm sorry  
Gee, baby, I'm sorry

Ooh, ooh  
Ooh-ooh-ooh-ooh  
Ooh-ooh-ooh

Take good care of yourself  
Take good care of yourself  
I worry 'bout you when you're gone

I wish there could be  
A way for us  
To be together both day and night  
When I see you leave  
How thoughtful, aren't we  
Call me soon as you walk through the door

Then I won't have to worry no more

How many time have I felt down inside  
The Need to be loved by you  
I wanted to show you how good it could be  
If you would only show a little interest in me

But you run, you just won't show love  
That's the thing you're frightened of  
Ooh-ooh-ooh-ooh-ooh-ooh-ooh  
Ooh-ooh-ooh-ooh-ooh-ooh-ooh

I got this need eating away at my soul  
An insurmountable need that I just can't control  
You created this fire, but that flame got too hot  
You turned and walked away, just leaving me on the  
spot

Yes, you run, you just won't show love  
That's the thing you're frightened of  
Ooh-ooh-ooh-ooh-ooh-ooh-ooh  
Ooh-ooh-ooh-ooh-ooh-ooh-ooh
