I know I was wrong by leaving you by yourself
I say something got a hold on me and I lost control.
Now I know where I belong and I wanna come back
home
I need your love and Baby
I need it so bad
Here I stand with my heart in my hand
Don't make me feel any less than I am
Don't make me crawl on my hands back to you.
Oh
I said it:

If I could only get your love back

If I could only get your love back.
I know you wanna make me pay for all the wrong that
I've done
Well Baby
I'm ready
I'm ready to pay any price you ask
I don't care for what I have to do
long as I can get close to you
Your sweet love was the best love I've ever had.
Here I stand with a tear in my eye

I ain't ashamed to let you see me cry
To live without your love I'd better die
Baby
please hold me in your arms.

If I could only get your love back
...

I'll be so satisfied

Now I know where I belong and I wanna come back
home.
I need your love and Baby I need it so bad

Here I stand with my heart in my hand
Don't make me feel any less than I am

Don't let me crawl on my hands and knees back to you!
If I could only get your love back
