

Three Degrees, The "Loving Cup"

Visit "[Loving Cup](#)" on MotoLyrics.com

Ooh, ooh
Ooh, ooh, ooooooh, ooh
Ooh, ooh
Ooh, ooh, ooooooh, ooh

Take a sip from my loving cup
See if you like a taste
If you like it, drink it all up
Don't let it go to waste

Take a sip from my loving cup
See if you like a taste
If you like it, drink it all up
Don't let it go to waste

Now I've been waiting such a long, long time
For somebody to come along, yeah
I'm ready to give you all this love of mine
I feel it oh so strong

It's as sweet as cherry wine
That's been sitting on a shelf
[Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh]
Come on and try it, you just might like it
Why don't you try it for yourself, yeah

Take a sip from my loving cup
See if you like a taste [Ooh, ooh]
If you like it, drink it all up
Don't let it go to waste [Come on, now]

Take a sip from my loving cup
See if you like a taste [Come on]
If you like it, drink it all up
Don't let it go to waste

My cup is running over in a minute it's gonna burst
Don't let it go down the drain, no
It's never been used before, this time will be the first
Ooh, let it flow like falling rain

It's like picking a grape from a vine
It's got so much juice inside
Come on and try it, you just might like it
Why don't you try it for yourself, yeah

Take a sip from my loving cup
See if you like a taste [Ooh, ooh]
If you like it, drink it all up
Don't let it go to waste [Come on, now]

Take a sip from my loving cup
See if you like a taste [You got to]
If you like it, drink it all up
Don't let it go to waste [Hey]

Ooh, ooh [Hey]
Ooh [Heyyyy], ooh, ooooooh, ooh
[Hey, hey, hey, hey]

Take a sip from my loving cup
See if you like a taste
If you like it, drink it all up
Don't let it go to waste

Take a sip from my loving cup
See if you like a taste
If you like it, drink it all up
Don't let it go to waste

Take a sip from my loving cup
See if you like a taste
If you like it, drink it all up
Don't let it go to waste

Take a sip from my loving cup
See if you like a taste
If you like it, drink it all up
Don't let it go to waste
