He's sweet, whoo!
Gentle, mmm!
So kind and he's mine all mine

Tall, wow!
Handsome, mmm!
So fine and he's mine all mine

All my friends, they envy me
All because he's in love with me
Ahhhhhh, ahhhhhh
Ahhhhhh, ahhhhhh

He's sweet, whoo!
Gentle, mmm!
So kind and he's mine all mine

[saxophone solo]

All my friends, they envy me
All because he's in love with me
Ahhhhhh, ahhhhhh
Ahhhhhh, ahhhhhh

Tall, wow!
Handsome, mmm!
So fine and he's mine all mine
Yes, he's mine all mine (mine all mine)
Yes, he's mine all mine (mine all mine)
Yes, he's mine all mine
