Oh, the night is slipping away
C'est la vie
C'est la vie

And there's still so much left to say
C'est la vie
C'est la vie

We haven't got time
'Cause I'll be gone when the sun shines

Oh, my love, you've been good to me
C'est la vie
C'est, c'est la vie

I could love you so easily
C'est la vie
C'est, c'est la vie---

We haven't got time
'Cause I'll be gone when the sun shines

Sugar on Sunday
I'm leaving on Monday
Only got one day to love you, yeah
Sugar on Sunday
I'm leaving on Monday
I'll be your woman---

Oh, the night is never to wait
C'est la vie
C'est la vie

Love me now before it's too late
C'est la vie
C'est la vie---

We haven't got time
'Cause I'll be gone when the sun shines

Sugar on Sunday

I'm leaving on Monday
Only got one day to love you, yeah
Sugar on Sunday
I'm leaving on Monday
I'll be your woman tonight----

Sugar on Sunday
Leaving on Monday
Sugar on Sunday
Leaving on Monday
Sugar on Sunday
Leaving on Monday
