Ooh-ooh
Ooh-ooh-ooh-ooh
ooh-ooh-ooh

Take good care of yourself
Take good care of yourself
I worry 'bout you
When you're gone

When you leave my arms
Ooh-ooh-ooh-ooh-ooh
I feel so bad
I just think about
The good times we had

And when we kiss goodnight
Ooh-ooh-ooh-ooh-ooh
Ooh, I wanna cry
I can't wait till your back
Back in my arms again

Ooh baby,
Take good care of yourself
Take good care of yourself
I worry 'bout you
Ooh, when you're gone

I wish there could be
Ooh-ooh-ooh-ooh-ooh
A way for us
To be together
Both day and night

When I see you leave
Ooh-ooh-ooh-ooh-ooh
How thoughtful, aren't we
Call as soon as you
Walk in that door
And I won't have to
Worry no more

Take good care of yourself
Take good care of yourself
I worry 'bout you
Ooh-ooh, when you're gone

Ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh

So baby, baby
Take good care of yourself
(Background singers repeat, "Take good care of
yourself x 12 till
end simultaneously with lead)
I worry 'bout you, 'bout you,
'bout you, 'bout you, 'bout you
Baby, yeah

I worry 'bout you, 'bout you,
'bout you, 'bout you, 'bout you, baby
I worry 'bout you, yeah

I worry 'bout you, 'bout you,
'bout you, 'bout you, 'bout you, baby

Don't you worry 'bout me

(Fades to end)
I worry 'bout you, 'bout you,
'bout you, 'bout you, 'bout you
