(Randy Cate/Joel Wachbrit)

I done my nails today  
My hair in special way  
I took my time because I know you noticed  
Some new perfume tonight  
I want my dress just right  
I've been anticipating your sweet kisses

We danced till dawn, I'll see a show  
Have dinner by candlelight  
Honey, if you really wanna know  
What I wanna do tonight

Chorus A:  
Come and read my vital signs  
Vital signs, vital signs  
To show you what I wanna do  
Baby, read my vital signs  
Vital signs, vital signs  
A message sent from me to you

I turn the lights down low  
Turn on the stereo  
I want just everything to be just perfect  
My heart is beating loud  
Come here and check it out  
You'll get the meaning from my body language

I can tell by the way you look at me  
That you can't believe your eyes  
Honey, it ain't no mystery  
What I wanna do tonight

[Chorus A]

Chorus B:  
Come and read my vital signs  
Vital signs, vital sings  
To tell you what's on my mind  
Baby, read my vital signs

Vital signs, vital signs  
You're gonna like what you like

V-v-v-v-v-v-v-vital sings  
Vital signs  
V-v-v-v-v-v-v-vital signs  
Vital signs  
Vital signs  
V-v-v-vital signs  
Vital signs  
We outta here

I can tell by the way you look at me  
That you can't believe your eyes  
Honey, it ain't no mystery  
What I wanna do tonight

[Chorus A]

I done my nails today  
My hair a special way  
I took my time because I know you noticed  
Some new perfume tonight  
I want my dress just right  
I've been anticipating your sweet kisses

We danced till dawn, I'll see a show  
Have dinner by candlelight  
Honey, if you really wanna know  
What I wanna do tonight

[Repeat Chorus A and B]

Come and read my vital sings  
Vital signs, vital signs  
Baby, read my vital signs  
Vital signs, vital signs  
Gonna like what you like
