Outside the rain begins
And it may never end
So cry no more on the shore
A dream will take us out to sea
Forevermore, forevermore

Just close your eyes, Amie
And you can be with me
'Neath the waves, through the caves of ours
Long forgotten now
We're all alone, so all alone

Close the window, calm the light
And it will be alright
No need to bother now
Let it out, let it all begin
Learn how to pretend

Once a story's told
It can't help but grow old
Roses do, lovers too
So cast your seasons to the wind
And hold me dear, hold me dear

Close the window, calm the light
And it will be alright
No need to bother now
Let it out, let it all begin
Throw it to the wind, my love
Hold me dear

All's forgotten now, my love
Hold me dear

Close the window, calm the light
And it will be alright
No need to bother now
Let it out, let it all begin

Cast it, cast it to the wind, my love
We're all alone, oh..
