You're the reason why i get through
it's the only way i can describe my
feelings for you...for you!
cos you are all that gets me through!

words can't describe what i'm trying to say
all these promises about making up

its all i ever wanted
all i ever needed
was you...was you
its all i ever wanted
all i ever needed
was you...was you!

say my name!
over and over again
until you get the point...
i don't wanna sound so possessive
i just want you to know...

that you're the reason i get through
its the only way i can describe my
feelings for you...for you!
cos you are all that gets me through!

words can't describe what i'm trying to say
all these promises about making up

its all i ever wanted
all i ever needed
was you....was you
its all i ever wanted
all i ever needed
was you...was you!

words can't describe
what i'm trying to say
all these promises about making up

its all i ever wanted

all i ever needed
was you...was you
its all i ever wanted
all i ever needed
was you...was you to say my name!
