As I Remember

My head is on the floor,  
It's on my grave into the ground,  
I had this dream we're over,  
My heart stops without a sound.

Why can't you stay  
Why can't you live out these days with me,  
I need to say my conscience,  
It's clear from you and me.

(chorus)  
I'm dreaming of the time that we spent last summer,  
When everything was wrong it felt so right,  
As I remeber - As I remeber,  
And I'm looking at the stories from those books we  
read,  
When you see the happy chapter when the heart  
doesn't bleed,  
It doesn't bleed at all.

And every time you sleep you always fall into my arms,  
You say those words goodnight like everything is over,  
Over again...  
And I'm thinking of the ways of how to win you back for  
good,  
It's always the same but it's not the way it should,  
And it hurts and it hurts real good.

(chorus)
