

Thrills, The "Car Crash"

Do we look like a car crash?
Baby tell me it ain't true
Cause if we look like a car crash
I don't know what the hell I'd do
Everybody tells me
That I'm outta my mind
Just because I say:
Baby, oh baby, don't change!

Do we look like a car crash?
Tell me, baby, it ain't true
Cause if we look like a car crash
I don't know what the hell I'd do

Everybody tells me
That I'm outta my mind
Just because I say:
Baby, oh baby, don't change!

Cause if you laugh too hard
The joke is on you, on you girl
On you!

Everybody tells me
That I'm outta my mind
Just because I say:
Baby, oh baby, don't change!
