Well hey
Don't it feel like everybody in our ear
Cause all this talk of getting older
Just goes on and on
Well tell him that all his best men
Will never work in this town again
Just don't play it cool
Don't play it cool

You never laugh or say hello
Oh, don't play it cool
Cause you've only yourself to lose

Well hey
Well you've got some nerve
Pointing fingers at that
Watching, whispering and keeping kiss
Go round and round
Well tell him that all his best men
Will never work in this town again

Just don't play it cool
Don't play it cool

You never laugh or say hello
Oh, don't play it cool
Cause you've only yourself to lose

Well hey
They don't laugh so hard
When you go selling yourself out
Cause it don't half get me down
Sitting in this same old town
So tell him to start this train
I'm not tired, don't wanna go home

Just don't play it cool
Don't play it cool

You never laugh or say hello
Oh, don't play it cool

Cause you've only yourself to lose
