

## Thrills, The "Restaurant"

I worked so hard for that man  
And he worked me to the bone  
Said success wont belong  
He bought that old factory  
Cause the rich are born free and thats how you want to  
be  
So I looked down from the rooftops one night  
And I knew I could go far if you never left my sight  
But this will never be what I want in some fancy  
restaurant like now.  
This will never be what I want, and all I ever wanted was  
you.  
He was a beggar on a horse, he was another brave  
man  
?? our jobs get sold  
He took the drinks from our hands so I took you in  
my arms we watched the sun go down  
Then I knew I had been taken for a fool  
I took you for granted I took fate as a rule  
But this will never be what I want in some fancy  
restaurant like now.  
This'll never be what I want and all I ever wanted was  
you.  
I need you now more than before  
I need you now more than before  
I need you to be there true and fair  
If I prove myself here I'll prove it anywhere  
But this'll never be what I want in some fancy  
restaurant like now.  
This'll never be what I want and all I ever wanted was  
you.  
This'll never be what I want. [x4]
